N/A, Santa Monica,

A jewel box. A true treasure. A tree house. Right off of famed Montana Ave, is an adorable townhome condo that is quaint and colonial on the outside and serene and fully equipped on the inside. This is a front end unit with its own entrance. The pictures tell a perfect story of what a sweet lifestyle opportunity this is. A spacious and full kitchen with plenty of room to entertain, a cozy living room to watch the families stroll by and treetop view bedrooms share what I call, a hotel bathroom. It feels like the Ritz in this huge bathroom! You can walk to all of your favorite shops, attend Roosevelt Elementary, jog along the Pacific bluffs, or sweat it out on the SM stairs. The private front garden is all yours to use, but it is technically common area on paper. This home has been lovingly maintained for three decades and is ready for its new owner.

Built in 1949
