2 Bedroom, 1.00 Bathroom, 1,502 sqft

Residential Lease on 0 Acres

N/A, North Hollywood,

Let's cut to it: this house has character. The kind of character you can't fake with shiplap and a trip to HomeGoods. Original wood floors? Check. A fireplace wrapped in stone that basically dares you not to light it up come winter? Also check. A bathroom tiled in unapologetic pink-and-red? Retro chic before TikTok made it a trend. We're talking two bedrooms, one bathroom, plus not just a teeny tiny bonus room, but a study and a proper dining room. Translation: you get actual options here. Work from home? Done. Craft room? Why not. Dining table that doesn't double as a desk? Finally. The kitchen has stainless steel appliances (yes, including the dishwasher, yes, including the fridge) and enough counter space to attempt that sourdough starter again. Laundry? No laundromat runs here because you've got your own washer and dryer in its own little room. And the backyard? Massive. With a pool. Not a plunge pool, not a "technically counts as water" pool. An actual in-ground pool, ringed by cacti and citrus, that makes you wonder why you'd ever leave home. Invite friends, throw a floatie in, and congratulations: you're suddenly the summer host. A quick heads up: there's a small ADU tucked on the property that shares the driveway. It's not part of this rental, so no need to think about it beyond the fact that it exists.
