N/A, Los Angeles,

In Mount Washington, this mid-century retreat evokes the organic spirit of Sea Ranch with wood detailing, beamed ceilings, and a garden designed by Terremoto. Built in 1947 and thoughtfully updated, this home embodies California living with a seamless connection to the outdoors. Awash in dappled sunlight, the airy living room opens to green hillside vistas. Glass sliders lead to an oversized deck, a breezy perch for morning coffee or entertaining while taking in the dazzling city views. Nestled under a canopy of trees, the terraced yard is a dreamy escape with lush landscaping, a cedar spa, and a detached work studio overlooking a flat grassy expanse. The kitchen features granite countertops, a Viking range, and Bosch dishwasher; the adjacent dining room includes pantry storage. Two bedrooms and an enclosed den, currently used as a bedroom, provide flexibility; the ensuite primary enjoys deck access plus a remodeled bath finished in Moroccan tile. Amenities include garage, EV charger, and central AC. Nestled within the Mount Washington Elementary boundary, you're moments from Elyria Canyon Park trails with easy Gold Line access, and a hop away from coffee and dining spots along Figueroa in nearby Highland Park.
