3 Bedroom, 1.00 Bathroom, 1,086 sqft  
Residential on 0 Acres

N/A, Los Angeles,

Tucked away on a quiet cul-de-sac in Mt. Washington, this 3-bedroom, 1-bath home is full of promise and charm. Owned by the same family since the 1950s, it carries decades of love, and memories. Now ready for its next chapter. With solid bones and a welcoming feel, the house is perfectly livable as is, but also an exciting canvas for someone with vision. The elevated backyard is a true highlight: a perch above the city with sweeping views, where you can watch Dodger Stadium fireworks light up the night sky, raise a glass to breathtaking sunsets, and take in the magic of 4th of July celebrations from your own hillside vantage point. It's the kind of space that feels like an escape, yet is still deeply connected to the energy of Los Angeles. Practical details round out the charm: a two-car garage, a cul-de-sac location with little through traffic, and a setting that's wonderfully walkable. Golden Poppy Market, Barra Santos, and the soon-to-open For the Win Burgers are just a short stroll away, giving you the best of neighborhood living right at your doorstep. This is an opportunity to create a home that blends history, character, and your own future.

Built in 1928
