N/A, Malibu,

Perched at the top of Big Rock on a private and gated lot, this nearly two-acre parcel offers extraordinary potential to build your dream estate in one of Malibu's most desirable locations. Formerly home to a stunning 4,000 sq. ft. residence lost in the Palisades Fire, this property is now a blank canvas ready for your vision. The site features a pool, tennis court, and panoramic views spanning the Pacific Ocean and the Santa Monica Mountains. With the ability to rebuild and expand up to approximately 10% more square footage, this is a unique chance to create your masterpiece in a serene, exclusive setting. For those seeking a true Malibu compound, this property can be purchased together with the two adjacent parcels, each formerly improved with homes also lost in the Palisades Fire. This offering can be combined to create an unparalleled Malibu compound encompassing approximately three prime acres. Privacy, scale, and unmatched vistas make this a once-in-a-generation opportunity to craft your legacy on the Malibu coastline.
