Residential on 0 Acres

N/A, North Hollywood,

Located on a beautiful tree-lined street adjacent to NoHo Arts District, this 1940s ranch offers all the character you want with the functionality you actually need. Inside, natural light flows across hardwood and tile floors. The living room and den both feature classic beamed ceilings, while the den's skylight floods the space with sun. The dining room's pitched wood ceiling adds architectural warmth. The kitchen delivers ample cabinet storage, generous counter space, and a classic work triangle layout that keeps the host connected with dinner guests. The home offers three bedrooms: two traditional bedrooms plus a third space with French doors, currently used as an office, that functions perfectly well as a home office or third bedroom (w/o built-in closet). Beautiful natural light flows throughout. The primary bedroom opens onto a private patio surrounded by succulents, a serene spot for morning coffee or evening relaxation. The practical updates are all in place: updated roof, copper plumbing, upgraded electrical, central A/C, and indoor laundry area. A perfect floor plan connects seamlessly to the backyard. The gated driveway and generous yard complete with two potted fruit trees, Meyer lemon and apricot provide plenty of room for outdoor living, gardening, or future pool potential. A converted garage offers a fully finished, climate-controlled sound studio, plus an adjacent unfinished room ready to become a recording suite or control room. Perfect for

musicians, content creators, or anyone working from home. Just minutes from NoHo's theaters, Metro station, and vibrant dining scene, this is a rare find in one of LA's most creative neighborhoods.
