Residential on 0 Acres

N/A, Los Angeles,

Effortlessly cool with clean Wabi-Sabi vibes, this four-bedroom, four-and-a-half-bath Mar Vista home perfectly balances modern design and timeless ease. Reimagined from top to bottom with new white oak floors, a soft neutral palette, and organic textures, it radiates calm sophistication. The kitchen is a true centerpiece with a large island, chef-grade appliances, and custom French limestone detailing, while the bathrooms feature beautiful micro-cement finishes and designer tile that tie the home's earthy, textural aesthetic together. The powder room showcases a wall-mounted stone sink and playful Kelly Wearstler wallpaper, and all bedrooms in the main house are en suite, including a serene, spa-like primary wrapped in natural light. Beautiful pinky doors open to an expansive deck designed for laid-back entertaining or quiet mornings with coffee and a book, framed by lush landscaping and a fully hedged front yard that creates a sense of retreat. A sleek metal roof adds modern texture and durability, while the detached, fully permitted ADU offers ideal flexibility for guests, in-laws, or a creative studio. Set within a charming, sleepy pocket of Mar Vista / Del Rey, you're moments from Bluey's, Rockenwagner, and Pitfire Pizza with easy access to the beach and the vibrant dining scene along Washington Boulevard. Turn key, design-forward, and ready to call home.
