Residential on 0 Acres

N/A, Los Angeles,

Tucked in the Bel Air hills, this storybook cottage oozes character and charm. Vaulted wood-beam ceilings and wide plank floors set the vibe, while the living room steals the show with its antique wood-burning stove and warm, rustic feel. Set on a quiet cul-de-sac just minutes from Sunset, it feels like a hidden escape, close to everything, yet totally its own world. A brick patio and front garden are made for slow afternoons in the sun, and the kitchen's cozy breakfast nook is basically begging for morning coffee hangs. The skylit bathroom with a clawfoot tub and pitched ceiling brings serious vintage magic. Romantic, private, and full of soul, this is one of those rare homes that just feels different. Will show for back up.
