N/A, Santa Monica,

Set on a picturesque tree-lined street in the coveted Santa Monica Canyon, this private Traditional home blends modern luxury with timeless design across a thoughtful floor plan.

Guests are welcomed through a gated, grassy front yard into a stately foyer with vaulted ceilings and a striking capiz shell chandelier.

Hardwood floors lead past the formal living and dining rooms to the open-concept heart of the home - featuring a family room with fireplace and chef's kitchen boasting a large island, Viking appliances, and an adjacent breakfast area. French doors open to a tranquil backyard ideal for al fresco dining, lounging, and play. A butler's pantry and walk-in pantry connect the kitchen to the dining room. Completing the main level are a guest suite, office with built-ins, powder room, laundry room, and two-car garage. A dramatic, light-filled staircase leads to four bedroom suites upstairs. The luxurious primary suite features vaulted ceilings, a generous walk-in closet, private covered terrace with fireplace, and a spa-like bath clad in Arabescato marble with dual vanities, a large shower, and a soaking tub. All three upstairs bedrooms are ensuite with two sharing a jack-and-jill bathroom. A homework/desk area and built-ins/storage complete this level. Located within the Canyon Elementary School District, tenants also enjoy the best of the Canyon lifestyle with a short stroll to Rustic Coffee, the Santa Monica Stairs, and neighborhood favorites like Giorgio Baldi, Caff Delfini, and

the Golden Bull - plus the beach just a few blocks away. Experience refined comfort and exceptional design on one of Santa Monica Canyon's most desirable streets. Home may be leased furnished - call listing agents for details.
