2 Bedroom, 1.00 Bathroom, 2,765 sqft

Residential on 0 Acres

N/A, Los Angeles,

Tremendous Live/Work opportunity in heart of Hyde Park, adjacent to the 5.5 mile Rail-to-Rail path. A \$143 Million project investment into the community, which triggered favorable and flexible zoning with more density allowed. This offering features a wood-frame stucco house on a raised foundation situated on a 4,805 square foot lot. The single-family house is approximately 1,085 square feet with two bedrooms and one full bathroom, with a bonus room for a potentially a third bedroom. The house features a spacious living with a semi open layout to a large kitchen area. It also has ADU potential of converting existing rear garage into an ADU while keeping the warehouse component. It has a new 200 AMP electrical panel, newer double pane windows, roof, plumbing, upgraded plumbing, kitchen cabinets, furnace, water heater, washer/dryer hook ups, and driveway which could park up to 4 vehicles. The property is completely fenced and gated, it also includes a yard behind the garage. There is a massive garage component attached the single-family home. A Buyer could purchase these structures with a first time Buyer residential loan, with fixed financing and a low-down payment.

Built in 1923
