Not in a Development, Cathedral City,

Nestled on the border of Rancho Mirage and Cathedral City, Plumley Rd is central to everything you love in the desert. Hop on Dinah Shore one direction and you have all the restaurants and entertainment Palm Springs has to offer, go the other way and you have world-famous resorts and endless shopping and restaurant options, and this home is the perfect central point to enjoy it all. One of the bedrooms has been converted into a den, making this a 2 bed, 2 bath home, but what you gain is an open, welcoming space with a dedicated den, formal living and dining room, creating a wonderful family or entertaining space off the kitchen. And of course, if you desire the 3rd bedroom, it could be easily converted back. The house has vaulted ceilings with a ton of natural light that make the space feel open and welcoming, with the two bedrooms on opposite sides of the home for privacy. There is also a laundry room that leads to the 2-car garage, but the real magic is when you step into the large, private backyard with beautiful mountain views that are unobstructed by powerlines. This home feels quiet and serene, and it is the perfect place for your new desert residence or your weekend getaway from the city hustle and bustle. Reach out today to schedule a tour. I would love to share this home with you.
