N/A, Tarzana,

Fixer! Some photos have been digitally enhanced. Existing stained carpeting will need replacement. Fantastic opportunity to own a rare, freestanding four-bedroom townhome located within an intimate gated enclave of just seven residences in the heart of Tarzana. With no shared walls, an attached private two-car garage, and both a side yard and spacious backyard/patio, this home offers the privacy and feel of a single-family residence at exceptional value and is currently the least expensive four-bedroom property on the market in Tarzana. Recently vacated after a long-term tenancy, the property is ready for its next chapter and will benefit from cosmetic updating throughout. For investors, this presents a compelling value-add opportunity with strong resale and rental demand for four-bedroom homes in Tarzana. The light-filled open floor plan features a welcoming living area with fireplace, a formal dining space that opens to the patio for indoor-outdoor living, and a functional kitchen with bar seating. The spacious primary suite includes a walk-in closet and en-suite bath with soaking tub and separate shower, while the flexible fourth bedroom can easily serve as a den or home office. For owner-occupants, this is a chance to personalize a detached home in a gated community and build instant equity while enjoying space, privacy, and a prime location. Additional highlights include central air and heat, recessed lighting, direct garage access, low HOA dues of just \$254 per

month (least costly current Tarzana condo listing HOA) and a home inspection report available for buyer review. Conveniently located near Ventura Boulevard, shopping, dining, and freeway access, this is a rare chance to transform a detached townhome into something truly special.
