POOL RESORT-STYLE LIVING WITH A VIEW! Panoramic Camp Pendleton views, resort-style pool, and a rare 28,314 sqft lot in The Crest. This is the setting buyers wait for. Perched above it all, this 2,428 sqft home captures sweeping, forever-protected hillside views that will never be built out. The backyard is the showpiece—sparkling pool with natural rock accents, expansive patio space, mature palms, and open-sky vistas that create true privacy and a resort feel. Inside, the flexible 4-bedroom, 3-bath floor plan includes a full bedroom and bath on the first level (currently used as an office), ideal for guests or multigenerational living. The remodeled kitchen opens to the family room and overlooks the backyard, creating seamless indoor-outdoor flow. Upstairs features a spacious loft, generous secondary bedrooms, and a primary suite positioned to take full advantage of the views. Three-car garage, abundant natural light, and a layout that balances everyday function with elevated entertaining. Homes with this combination of lot size, pool, and unobstructed Camp Pendleton views rarely become available.
