The heart of the home is a Great Room that combines the gracious family room with its soaring ceilings and the oversized gourmet kitchen that features stainless steel appliances, a walk-in pantry, and custom cabinetry. Formal dining and living rooms round out the communal living space on the first floor, while two bedrooms, two baths, and a laundry room with ample storage provide flexible spaces to be used as your lifestyle sees fit. Upstairs a lofted hallway is open to the living and family rooms below and leads you to the generously sized primary suite with its walk-in closet, and two custom vanities, and separate tub and shower. The sunny lofted hallway is complete with custom built in cabinets, and a desk that could be used as an office or homework station, and it leads you to the two remaining good-sized bedrooms and a bathroom. The backyard possesses privacy and features a built-in grill, fire-pit, and also direct access to the massive 3 car garage, which also has ADU potential. Conveniently located just a few blocks away from the highly rated Open Magnet Charter School, and just moments from the beach, LAX, and SoFi Stadium, the home is easily
