N/A, El Segundo,

Calling all Investors, Developers, and first-time home buyers, this property is on the market for the first time in over 60 years. This is the kind of opportunity El Segundo buyers wait decades for and act on quickly when it appears. Perfectly positioned on one of the city's most coveted streets, just blocks from Main Street and the ocean, this charming single-family residence delivers the rare combination of location, character, and long-term upside that defines true value. Set on a generously sized lot, the 3-bedroom, 2-bath home offers approximately 1,800 square feet and reflects a lifetime of pride of ownership. Timeless curb appeal greets you with an inviting front entry that immediately feels like home upon entering. Inside, sun-filled living spaces, well-scaled rooms, and a thoughtful floor plan create a warm, livable foundation ideal for those who appreciate original character or envision a tasteful, modern coastal transformation. The private backyard is a true retreat, framed by mature landscaping and offering multiple areas to entertain, unwind, or expand. A long driveway and detached garage provide flexibility rarely found this close to the coast. Whether you choose to restore, reimagine, or build your forever home, opportunities like this on streets like this are exceedingly rare. Homes with this location, lot, and legacy do not come to market often. This is one you'll want to see before it's gone.
