Residential on 0 Acres

N/A, Los Angeles,

This exquisite 5-bedroom, 7-bath contemporary masterpiece in Beverlywood's exclusive HOA with 24-hour armed security patrols, blends high quality craftsmanship with modern luxury. This newly built estate offers a large sparkling pool, expansive grassy yard, and ficus trees that will only grow more mature and add even greater privacy. Inside, wide-plank white oak floors, custom millwork, and designer finishes elevate every space. The open-concept design, with disappearing Fleetwood sliding glass doors, seamlessly connects the interior to a private backyard oasis featuring a sunlit patio and built-in gas line for outdoor cooking. The chef's kitchen shines with Sub-Zero and Wolf appliances, custom solid white oak cabinetry, an oversized quartzite island, walk-in pantry, and a wine fridge with custom shelving. Each spacious bedroom includes an en-suite bathroom and bespoke closet, with all four upstairs bedrooms opening to private balconies. The primary suite stuns with a spa-like bath, dual vanities, soaking tub, oversized shower, and a tailored walk-in closet. Additional highlights include a sunlit office, Control4 smart home automation, large laundry room with storage and a sink, LED lighting, a fully fenced yard with ficus hedges, and lush landscaping with irrigation. A rare gem where luxury and comfort converge in the heart of Beverlywood.
