PARK VILLAS, Pleasanton,

Here are a few of the biggest reasons why we think youâ€™ll want to make this house your home. Location: The Park Villas neighborhood is conveniently located in the heart of Pleasanton. A short walk will bring you to downtown Pleasanton where you can enjoy great shopping and dining options as well as several local events every year. The community features several large lawns, including the lawn area right out the front door, a community pool, and direct access to the Pleasanton Centennial Trail where you can enjoy a creekside walk under large oak trees. Back Patio: The second reason we think you will love this home is the well manicured back patio. This space features a raised deck perfect for setting up a fire pit and roasting marshmallows, or enjoying a glass of wine with friends. The covered patio is a great spot to set up an outdoor dining space, or a nice shady spot for the kids to play. Attic Space: The third reason that makes this house a great place to call home is the finished attic space. This finished attic space adds an extra 250 square feet of usable play space for the kids, or storage for all your favorite holiday decorations. Let your imagination loose like you did when you were younger and come up with extra creative ways to use this space.
