ALAMEDA, Alameda,

Craftsmanship was the loadstar when this beauty was built in 1918. More than a hundred years after it was first conceived, the home was brought back with updates true to its architectural origin. The built-ins are all in tact, including pocket door, bench, bookcases, and dining hutch. The bathrooms are renovated, and in 2022 a luxurious and elegant kitchen was built. With dual paned windows and refreshed landscape design, it is a pleasure to come home to 2069 Central. Close to Alameda's thriving downtown scene on Park Street, schools, parks and the beach

Built in 1918
