LAFAYETTE, Lafayette,

Designed by noted local architect Harry Nakahara, this dreamy Mid-Century Modern home is tucked away, accessible via a semi-circular private driveway. Savor elegant lines, an open plan layout, floor-to-ceiling glass, and a strong sense of the outdoors in this generously-appointed, level-in retreat on a half-acre lot. Walls of windows in the spacious common rooms perfectly frame the views of the outdoors. The living room, anchored by a wide fireplace, leads seamlessly to the dining room to form a grand space for lounging and entertaining. The gourmet kitchen featuring quartz countertops, Thermador oven and range, connects to the den with bonus lounge and dining spaces. All common rooms enjoy direct access to the private, flat backyard with a garden, lawn, deck and patio. Three well-apportioned bedrooms and an elegantly updated Dwell-worthy full bathroom are accessible by a common hallway, but the real treasure lies at the end, where a sizable primary suite delights in natural light and space. The spa-like en suite bathroom with dual shower heads is adorned with a ceramic tiled stall and walnut vanity with double sinks. A luxuriant walk in closet meticulously organized stands on its own as a room for adornment.
