WALNUT CREEK, Walnut Creek,

Thoughtfully preserved single-story mid-century 4-bedroom, 2-bath home is surrounded by curated native landscaping & mature trees, offering timeless character & natural beauty. A covered front porch opens to a light-filled interior with hardwood floors throughout. Expansive living room is anchored by a fireplace flanked by built-in shelving & framed by a wall of windows overlooking the garden. Just off the kitchen, the dining room features built-ins that add charm & storage. The kitchen showcases vintage tile counters & corner sink with a garden-view window. Separate laundry includes cabinetry & backyard access. Private primary bedroom includes an ensuite bath & 3 additional bedrooms offer flexibility for guests or home office. All bedrooms feature crafted built-in storage, including drawers, shelving, or desk. Bathrooms showcase period tile with thoughtful updates. Comfortable year-round with central heat & air in place. The backyard feels like a private garden retreat, with brick patio beneath mature maples & flowering trees. Landscaped with California native & drought-tolerant plants, it's a pollinator-friendly oasis with winding paths & quiet seating. Attached 2-car garage & extended driveway provide ample parking. Minutes from downtown Walnut Creek, BART & top-rated schools.

Built in 1950
