Residential on 0 Acres

BUENA VISTA, Walnut Creek,

Tucked into one of Walnut Creek's most sought-after neighborhoods, this fully custom residence offers a rare blend of space, functionality, and flexibility. Rebuilt from the ground up in 2009, the home spans 4 bedrooms and 4.5 baths across 2,478 square feet. Every bedroom features its own ensuite, and the layout was intentionally designed to support both private retreat and shared living. High ceilings and oversized windows create light-filled interiors, while dual-zone HVAC and on-demand water heaters support year-round comfort. Additional upgrades include a 10-speaker built-in audio system with multi-channel amplifier, a home automation lighting system, custom closets, and a paver-lined front walkway. Out back, a separate detached studio with a full bath adds another layer of possibility - it can seamlessly become an ADU, guest house, creative studio, or multigenerational living space. The nearly 10,000 square foot lot is designed for both relaxation and entertaining—featuring a pergola, hot tub, updated fencing, and landscaped outdoor areas. Conveniently located within walking distance to Larkey Park, BART, downtown Walnut Creek, groceries, and top-rated schools.
