4 Bedroom, 3.00 Bathroom, 2,561 sqft
Residential on 1 Acres

SOUTH WALNUT CR, Walnut Creek,

Set on over half an acre in a sought-after Walnut Creek neighborhood, this single-story home features a flexible 4-bedroom, 3-bath layout & spectacular backyard retreat with pool. The living room showcases soaring ceilings, custom millwork & fireplace, while the adjacent dining room is framed by oversized windows & refined architectural details. The kitchen anchors the home with wood cabinetry, central island & breakfast nook. It opens to the family room, where vaulted ceilings, floor-to-ceiling fireplace & dramatic wall of windows overlook the backyard. The flexible layout includes 2 ensuite bedrooms, one at the front with vaulted ceilings, dual closets, & private bath with tub, ideal as a primary suite, guest retreat, or hobby room. The rear wing offers a 2nd ensuite plus 2 additional bedrooms served by a hall bath, allowing either suite to function as the primary & accommodating guests or multi-generational living. Step outside to a sprawling backyard with a covered patio, expansive hardscape, and a sparkling pool framed by mature trees and vibrant landscaping. A storage shed adds convenience, while the setting invites relaxation, play or hosting gatherings. All just minutes from downtown Walnut Creek, top-rated schools, parks & commute routes.
