SAN MATEO KNOLLS, San Mateo,

Nestled in the tranquil hills of San Mateo, this expanded 4-bedroom, 2.5-bath home offers approximately 1860 plus sq. ft. of flexible living space with sweeping views of the San Francisco Bay. Refinished hardwood floors, a new electric fireplace, updated electrical, a ventless hood and cooktop, fresh paint, and new decking blend timeless charm with modern upgrades. The oversized garage— with parking for two cars, including a tandem space— features new concrete flooring, updated piping, and a complete sewer lateral replacement, offering ample room for vehicles, storage, or a workshop. Outdoors, enjoy newly landscaped grounds with Orange and Lemon trees, an expansive view deck, inviting patios, and a covered gazebo designed for gatherings and family traditions. An addition completed in the late 1960s created the fourth bedroom. The additional sq. ft. of living space added is unknown and was never reflected on the tax roll.
