ADAMS POINT, Oakland,

Welcome to your bright corner perch on the 4th floor, where sunlight pours in and the city lights feel like they are right outside your window. This condo lives like a home and has been updated from front to back—brand new luxury flooring, fresh paint on the walls, sleek new counters, cabinets refreshed, and every light replaced with modern recessed fixtures. The kitchen—stocked with brand-new appliances, and even the bathroom got a makeover with a refinished tub and fixtures that looks sharp and clean. Day-to-day living here is easy. There—s a walk-in custom closet big enough to actually stay organized, a laundry room inside your home (no quarters, no waiting in line), and a spot in the garage with an electric car charger already set up. And when you look out, you—re treated to sweeping views of the Bay Bridge and San Francisco from every room in the house—a reminder of just how close you are to it all. The location is one of those rare finds: a quiet cul-de-sac with an entrance to the Morcom Rose Garden, while still being right between Piedmont Avenue and Grand Lake. Coffee, restaurants, shops, public transportation and green space—it—s all right here. This is the kind of home that feels fresh, stylish, easy and perfectly connected \*\*OPEN HOUSE SUN 2:00-4:00\*\*
