3 Bedroom, 3.00 Bathroom, 1,806 sqft
Residential on 1 Acres

WALNUT BLVD, Walnut Creek,

Welcome to a seldom-available gem nestled on more than half an acre, ready for you to make it your own. This expansive property offers incredible potential for those looking to create their dream home, multi-generational retreat, or investment opportunity. You'll find a bright and airy open-concept kitchen, great room, and dining area filled with natural light—perfect for entertaining or everyday living. The converted garage now serves as a spacious primary suite with an en suite bathroom and can easily be reconfigured into two separate rooms if desired. On the opposite wing of the home, you'll discover another bedroom with an en suite bath, a versatile den, and a third bedroom with a full bathroom—ideal for guests, home offices, or additional family members. The enclosed sun porch offers year-round usability and can serve as a creative workspace, home gym, or vibrant playroom. A sparkling pool and an elevated pergola—perfect for outdoor gatherings or relaxing afternoons. Beyond the pool lies an expansive open space with endless possibilities: create your own vineyard, build an ADU, cultivate a lush garden, or design the ultimate outdoor retreat. At the far end of the property, a spacious storage area could easily be transformed into a home office, studio, or workshop.
