SEQUOYAH HILLS, Oakland,

Bay views in Sequoyah Hills! In this 3,200-square-foot sanctuary, volume and light are the primary materials. Soaring ceilings invite a connection between the interior and the shimmering bay view beyond. Living, dining and family rooms all transition seamlessly to serene outdoor spaces. The landscape is maximized for modern leisure. A sprawling hardwood deck steps down to a precision-manicured turf lawn, while a dedicated firepit and patio provide curated zones for entertaining against a backdrop of panoramic views. The kitchen is designed for the culinary gourmet. Sleek appliances are integrated with custom cabinetry and expansive prep surfaces, anchored by a grand breakfast bar and large eat-in space. The primary retreat hosts a spa-inspired bath, featuring a jetted soaking tub overlooking the garden, complemented by dual walk-in closets. Outside awaits a private pergola, offering a quiet escape to the outdoors. A fourth bedroom doubles as separate office space or den, and sits astride the generous family room.
