ALTA MIRA, San Ramon,

From the moment you arrive at the custom modern front door, this home feels special. Each spring, the pink magnolia tree blooms in the front yard. A beautiful reminder of the seasons changing and memories made here. The backyard has been a true sanctuary. Rows of grapevines along the fence add charm, while the trellis creates a shaded setting for long dinners, celebrations, and quiet morning coffee. The pool and climbing wall have brought endless laughter and gatherings, making the space one that naturally invites connection. Inside, the main living area was redesigned in 2022 with custom wood paneling and accent mirrors, creating a space that feels both architectural and warm. The updated rectangular fireplace with designer Porcelanosa tiles ties into the feature wall, while folding doors open to the backyard for seamless indoor-outdoor living. The downstairs kitchen and bathroom renovation in 2016 introduced high-end finishes and mood lighting that elevate everyday living. Upstairs, the renovated bathrooms offer a private retreat, especially the primary suite with its steam sauna, custom lighting, and built-in shelving. With recessed lighting and sleek modern window coverings throughout, the home maintains a clean yet welcoming feel. Ready for its next chapter.
