Residential on 0 Acres

MELROSE HIGHLNDS, Oakland,

7900 Greenly Drive offers the kind of flexibility, comfort, and quiet refinement that feels increasingly rare in Oakland. The 3-bedroom, 1-bath main residence blends classic character and modern design with thoughtful, design-minded updates, while the detached 1BD/1BA studio bonus structure* offers exceptional versatility for guests, work, creativity, or extended living. Hardwood floors run throughout the main home, and the reimagined layout creates an easy flow for everyday living and entertaining. The kitchen was renovated in 2022 with new appliances, cabinetry, countertops, and fixtures, alongside major system upgrades including all-new HVAC and ducting and a 200-amp electrical service and panel. In 2025, part of the living room wall was removed to open the space to the kitchen, and recessed lighting was added for a brighter, more airy feel. A skylight installed in 2026 brings even more natural light into the living space. Outside, the re-leveled backyard, French drains, refreshed hardscaping, and hot tub create a polished outdoor retreat, while Oakland Hills views add a sense of place and calm. A partially finished stand-up basement and smart-home features, including Google Camera, Nest, smart lock, and Sonic internet, complete the offering.
