10a-2p. Set on a flat quarter-acre lot less than half a mile from Camino Pablo elementary and JM middle schools and about a mile from shopping, restaurants and parks in town, this newly refreshed 4-bedroom, 3-bath home offers space, flexibility, and a setting designed for everyday living and outdoor fun. Hardwood floors run throughout and dual-pane windows bring in abundant natural light. The updated kitchen opens to the family room and features stainless steel appliances, white cabinetry, and new quartz countertops. Newly added recessed LED lighting enhances the home's fresh, modern feel while creating bright, comfortable living spaces. All three bathrooms have been recently refreshed, including thoughtful improvements to the primary suite with the addition of dual sinks and a spacious walk-in shower. Outside, the expansive level lot offers large front, side, and rear yards—formerly home to trampolines, batting cages, soccer goals, and years of outdoor fun. The wide side yard offers exceptional potential for a large ADU without compromising existing patio or play areas, creating flexibility for multigenerational living, guest space, rental income, or extended family visits.
