N/A, Los Angeles,

Take in the Marina Ocean cross breeze all summer long, while you thrive in the heart of Park Mesa Heights. Priced to sell and first time on the market in over 60+ years! Welcome to 5910 Madden Avenue a beautifully preserved and spacious Spanish styled gem ready for your custom restoration. Youâ€™ll notice how quiet, and peaceful a home can truly be due to its interior location, just far enough from major intersections and the hustle and bustle Los Angeles has to offer. Once inside you can be rest assured, knowing that the front steel security door, window guards, driveway privacy gate, and security system will keep you and your family secure. The home is fitted with windows abound; a large picture window adorns the living room allowing natural light to shine onto a sprawling space easily fitting a massive dining table. The kitchen features a breakfast nook, ornate cabinetry and access to a separate laundry room leading you to the guest half bathroom. All kitchen appliances, newer water heater, washer/dryer, and home security system are included in the sale. When removing the carpeting youâ€™ll find original hardwood floors throughout the entire home! The hallway takes you to 3 sizeable bedrooms and the homeâ€™s full bathroom with a coved entry walk in shower and separate bathtub. Stepping out from the kitchen side door and onto your long driveway leading up to a detached 2 car garage, youâ€™ll find the perfectly sized, positioned and fertile backyard. This homes lot has excellent 3-unit potential!

For starters you could easily convert the garage into an ADU then consider adding on a JADU attached to the main house. Due to the home's proximity to multiple public transport options such as the Hyde Park Metro Rail, no additional parking is needed for ADU tenants. Moreover, it's located near View Park-Windsor Hills, Inglewood, Leimert Park, and Culver City. With proximity to Marina Del Rey, Sofi Stadium, Kia Forum, BMO, and LAX, convenience is at your fingertips. Don't miss the opportunity to own this rare gem that allows for your custom restorative touch!
