Poised on the top floor of a coveted Los Feliz complex, this stunning 2-bedroom, 2-bath mid-century gem is a rare offering that blends iconic design with modern sophistication—all set against a backdrop of sweeping hillside views and a peek of the Downtown LA skyline.

Sunlight pours through expansive windows, highlighting generous living spaces that are both serene and beautifully functional. The oversized living room flows seamlessly to the largest balcony in the building, offering a perfect indoor-outdoor connection for morning coffee, alfresco dining, or simply taking in the view.

The incredible views continue through the well sized bedrooms, where you will find ample storage and larger closet spaces.

The thoughtfully restored pocket doors offer versatility in the formal dining room—easily transformed into a creative studio, home office, or guest space. A light-filled chef's kitchen features abundant cabinetry, a breakfast nook, and newer appliances, making it as practical as it is charming.

Smart upgrades abound: a Lutron whole-home lighting system with dimmers, ceiling fans throughout, and a newer mini-split system complement the home's breezy layout and cross-ventilation. Every detail has been considered for effortless everyday living.
