2 Bedroom, 1.00 Bathroom, 1,151 sqft

Residential on 0 Acres

N/A, Temple City,

In the heart of the Temple City school district, this single level 2 bedroom 1 bath residence spans approximately 1,151 square feet and reveals a freshly elevated living experience. Newly refinished hardwood floors set an elegant foundation, complemented by crisp new paint inside and out. All new windows bathe each room in natural light, creating a quiet sense of clarity and calm throughout the home. The kitchen enjoys remarkable volume for a home of this scale, a generous canvas for both everyday comfort and future elevated culinary design.

Meaningful capital improvements have already been executed with care. A brand new roof was installed in August 2025, the property was professionally fumigated and tented the same month, gas lines were pressure tested in September 2025, and landscaping has just been refreshed. The home is further supported by a newly installed ADT security system.

Outdoors, privacy unfolds behind block walls, and the ability to bring vehicles directly into the backyard adds highly practical day to day convenience. The grounds are intentionally low maintenance, anchored by a mature avocado tree that produces abundantly, an authentic expression of Southern California living. A Tuff Shed offers supplemental storage, complementing the generous storage already found throughout the home and garage.

With major structural and aesthetic enhancements already thoughtfully curated, this residence delivers the immediate pleasure of turnkey living today, coupled with the luxury of customizing the next layer of design at your own pace, all within one of the San Gabriel Valley’s most respected school districts.
