N/A, Toluca Lake,

Opportunities like this are a rare find in Toluca Lake! Tucked away at the end of a peaceful cul-de-sac, this vintage estate sits on an impressive 11,050 square foot lot and offers incredible luxury potential. Rich in character and held by the same family for decades, the single-story main home features a grand living room with fireplace, a formal dining room with a hand-painted mural, and a spacious family room with views of the manicured backyard. The vintage kitchen is ready for a custom redesign, while the home's three bedrooms include two en suite retreats, including a large primary suite. A long driveway leads to a detached garage at the rear of the property, and just beyond is a one-bedroom, one-bath guest house waiting to be restored, measured at 682 square feet. Surrounded by multimillion-dollar estates, this is a rare chance to bring new life to a nostalgic gem in one of Toluca Lake's most coveted locations.
