Rebuild in Scenic Rubio Highlands

Discover a rare opportunity to build your dream home in Rubio Highlands, one of Altadena's most naturally stunning neighborhoods. This 9,154 sq ft lot offers panoramic mountain views and direct access to nearby hiking trails, all just minutes from the heart of Altadena.

The original 3-bedroom, 2-bathroom, 1,857 sq ft home with a pool was lost in the Eaton Canyon wildfire. While the surrounding neighborhood continues its journey toward recovery, the strong, dedicated community of Altadena is committed to rebuilding and restoring this historic hillside enclave.

With Phases 1 & 2 of post-fire clearance already completed, this property is ready for construction. Whether you're envisioning a tranquil retreat or a bold architectural statement, this lot provides a unique chance to create something new in a location rich with natural beauty and community spirit.

Don't miss this chance to be part of Altadena's next chapter.
