N/A, Glendale,

BLOW OUT PRICE! Lowest priced per square foot home in Northwest Glendale under \$1.7 million! Its versatile floorplan allows the home to be used as a single family residence or easily converted into multiple dwellings. Built in 1946, it includes 4 bedrooms, 1.75 bathrooms, family room, bonus room, 1,808 square feet of living space and 6,649 square foot lot. The living area is spacious in size and is highlighted by its bank of windows that overlook the front yard. The adjacent dining area is open to the kitchen and perfect for entertaining family and friends. The kitchen includes Oak cabinets, solid surface countertop and tile flooring. The front bedrooms are generous in size and are serviced by the full bathroom. Travel to the rear of the home to find the comfortable family room with a wood beamed ceiling, knotty pine paneling and a decorative fireplace. The rear foyer has its own entrance and is the central area in the rear portion of the home. The bonus room is the ideal space for an office, nursery or play room. The rear bedrooms are generous in size and are serviced by the ¾ bathroom. The backyard contains a covered patio, carport with alley access to store multiple cars and a garden area. Additional features include central air/heat and a utility room with washer & dryer hook ups. Don't miss this opportunity to reimagine this home and make it your own!
