Residential on 0 Acres

N/A, Ontario,

This Ontario property is the perfect home for a first-time buyer or investor. It needs a little TLC, but the main components are quite new. The double-pane windows and roof were replaced in 2019, and the water heater is also new. The charming kitchen features updated cabinetry and drawers, a newer range/oven, and an exhaust hood. There is an indoor laundry room and a full basement, providing ample space for storage, a rec room, or a man cave.

The home has updated electrical throughout, including the panel and receptacles. The plumbing has also been upgraded, with newer piping, a main water line, drain pipes. The gated driveway offers plenty of parking, and the large lot provides an opportunity for an additional ADU. The spacious concrete patio area is great for family gatherings. The garage is in rough shape but has a room in the back and a work shop as well - Perfect for ADU conversion.
