2 Bedroom, 1.00 Bathroom, 840 sqft

Residential on 0 Acres

N/A, Upland,

This is a very well priced and well maintained condominium on a tree lined street at the end of a cul-de-sac with views of the mountains. Just steps away from the community pool, this two-bedroom, one-bath condominium has an open layout, including a breakfast bar and dining area. Large Livingroom gives ample space, and several closets gives you a lot of storage. The kitchen is open to the livingroom and has lots of cabinet space. Both bedrooms are spacious with large closets. Many upgrades have been made, including quality double-pane heat-deflecting windows (installed only a few years ago), upgraded laminate wood grain flooring, new paint, upgraded Central Air and Heat Unit and a recently replaced bathtub and sink. This is the only unit in this building that sits above the parking area, so there are no neighbors living below you. One covered parking space, and another parking space in the driveway, plus on-street parking. The diningroom window has views of the Mountains, and overlooks the pool common area. Walk to shopping and just a short distance to the 10 freeway on-ramp. Community Washer and dryer are in the building, plus additional locked storage room downstairs in the carport. HOA includes pool access, landry facility in building, water and thrash pickup.

Built in 1971
