What an opportunity!!! This home is on a huge corner lot of 8,500+ sf and has so much potential. The house has four bedrooms, 1.75 baths with 2 of the bedrooms and the full bath downstairs. The open living room has wood laminate floors and a whole wall of windows with a view of the back yard. The kitchen is updated with oak cabinets, tile countertops and a breakfast bar. Appliances include double oven, gas cooktop, trash compactor & dishwasher. The downstairs bath has been updated and has a shower over tub. All four bedrooms have huge closets and the downstairs ones have wood laminate flooring. Upstairs you'll find two spacious bedrooms with carpet and attic storage access, as well as, the 3/4 bath. There are two exits downstairs to the huge back yard. Measurements show that an ADU is very possible. Side yard has a covered space for an RV or whatever you can come up with. Other amenities include Central Air, 2 car garage with laundry hookups, a concrete driveway that can fit up to 6 cars & a gated lot for privacy. Home needs some cosmetic work, and is priced for an as-is sale, but the smart investor will see the potential all around.
