**GORGEOUS, EFFICIENT RANCH STYLE
POOL HOME with OWNED TESLA®
SOLAR PANELS, NEW ROOF & RV
PARKING!** Whether you are looking to update
or re-imagine the space, this property is the
perfect canvas to create your dream home. A
long private driveway lined with majestic
mature shade trees leads you to an enormous
paved parking area with room for several
vehicles, an RV, etc. There is plenty of room
for expansion, an ADU or additional garage
parking here. You can also use this area for
storage, a basketball area, etc! The inviting
entryway features double doors, making it
much easier to move large furniture pieces into
your new home. In the living room, you have a
sliding glass door to the patio for that desired
indoor-outdoor entertainment experience. The
formal dining room also offers a sliding glass
door to the patio and a raised hearth fireplace
for chilly evenings in front of a crackling fire. In
the kitchen, you can appreciate granite
counter tops, a stainless steel back splash,
built-in appliances and a corner window for
your cooking herb garden. This home has dual
pane windows and ceiling fan lights
throughout. All bedrooms are generous in size!
Approximately two years ago, a new
composition shingle roof was installed, as well
as 12 TESLA® solar panels with battery
back-up (helping you save money on your
electric bill!). Host fun BBQs and pool parties
here! Refreshing swimming pool & spa with
custom brick inlay has been newly

re-plastered. The exterior of the house was painted approximately 5 years ago. The vast majority of this lot is flat with manicured lawns, mature shade trees, plenty of space for dogs to run, fruit trees and the privacy you crave. The shared well system gives you three water shares (much less expensive than being connected to City water). We are located in the best part of town near Redlands Hills Country Club, Oakmont Park, Live Oak Canyon, hiking and more. Take a close look at one of South Redlands Hills most exceptional properties!
