Introducing this private gated custom home, located on over an acre of property in the upscale Covina Highlands area. Outfitted with seven bedrooms, three $\frac{3}{4}$ and one half recently remodeled baths, a separate office, and a drive through tandem garage leading to extra parking. This property boasts a beautiful Sunroom / Covered patio facing the pool area, and a handy workshop attached to the garage. Every room is a new experience, with a different view, laid out on a flowing floor plan. The entire house is protected by a steel fireproof roof that was installed in 2017. The house boasts new paint, inside and out in the last year and a pool that was redone 5 short years ago and warmed in the winter by a new heater installed last year.
