N/A, Glendora,

Tucked in the foothills of the San Gabriel Mountains, in a neighborhood known for its charm and Glendora's award-winning schools, lies a home that doesn't just offer rooms and square footage — it provides vision. You're stepping into a world of possibilities when you step onto the brick walkway and pass through the inviting French doors. At the heart of the home, an open-air atrium/courtyard breathes light and serenity into the space. This rare architectural centerpiece connects the indoors with the outdoors in perfect harmony. French doors open to this hidden oasis from the entry and living spaces, offering a peaceful retreat or a central focal point for your next gathering. Tons of sunlight shine through the large windows, drawing you toward the entertainer's backyard: a California-inspired haven with a sparkling pool, lush landscaping, and ample space to host, relax, and unwind. Dream of an ADU? The layout invites it. Need RV parking? It's ready. Want to reimagine the flow of the home? The canvas is blank, and the possibilities are endless. Inside, custom built-ins and a gas fireplace in the cozy family room create warmth and character, while the generous storage in the garage means everything has its place. This isn't just a place to live — it's a place to grow, create, entertain, and thrive. Located in a community known for its mountainous views and is centrally situated close to shopping, dining, and entertainment.
