6 Bedroom, 4.00 Bathroom, 3,650 sqft
Residential on 0 Acres

N/A, Rancho Cucamonga,

Thoughtful design meets elevated living in this exceptional home, nestled on a serene cul-de-sac with mountain views and timeless curb appeal. An inviting oversized front porch welcomes you to 3,650 square feet of beautifully appointed space, featuring newer hardwood flooring, custom millwork, plantation shutters, oversized crown molding and baseboards, and soaring 20-foot ceilings.

Inside, the layout is both elegant and functional, with six spacious bedrooms and four bathrooms, including a main-level bed and bath, ideal for guests or multigenerational living. Generous living, dining, and family rooms offer plenty of space to gather or retreat. At the heart of the home, the upgraded kitchen showcases Carrera marble counters, a custom oversized T-shaped island with honed quartz seating seven, a black granite sink, touch-activated faucet, built-in beverage cooler, and stainless steel appliances including a double oven and five-burner gas range. The adjacent butler's pantry includes a large walk-in pantry and coffee bar, perfectly positioned between the kitchen and dining room.

Upstairs, the expansive owner's suite captures breathtaking mountain views and features dual vanities, two large walk-in closets, a soaking tub, and a walk-in shower. You'll also find four additional bedrooms, one with a built-in desk, a Hollywood-style

Jack-and-Jill bath, LED-lit faucets in the hall bath, a spacious laundry room, walk-in linen closet, and a whimsical “Harry Potter” closet under the stairs.

Step outside to your private tropical oasis: a custom PebbleTec pool and raised spa with stacked stone spillways, surrounded by lush landscaping and perfect for entertaining. The outdoor space includes a built-in barbecue and smoker, side burners, bar seating, and room to gather. The pool heater is newer, and while the system currently uses chlorine, it’s a saltwater system that can easily be reactivated.

Additional highlights include an extended driveway and RV parking, usable side yards with a dog run, 25 solar panels, a Flo by Moen leak detection system, newer ceiling fans, and a four-car tandem garage with a myQ smart opener. With no HOA, low taxes, and a location just minutes from award-winning schools, Day Creek Park, scenic trails, and Victoria Gardens, this home blends luxury, comfort, and countless upgrades in one of Rancho Cucamonga’s most desirable neighborhoods. Come see why this home isn’t just stunning, it’s brilliantly designed for real life.
