CLASSIC COVINA CHARMER W/
ADDITIONAL 2 CAR GARAGE &
WORKSHOP! Tucked away at the end of a
culdesac, this is one that you're surely going to
love! For starters, the neighborhood! The
entire neighborhood exudes pride of
ownership and it just sets the tone for the
opportunity this great home presents. Great
curb appeal! You'll immediately appreciate the
brick detail and well manicured landscaping. A
formal living area at the entry offers a brick
fireplace and leads to the dining area. Two
secondary rooms and a bathroom are to one
side and the primary suite & office are on the
other side. The primary offers two closets,
ample space and a private bathroom. The
on-suite bath features a walk-in tiled shower.
The eat-in kitchen offers an additional seating
area and tiled counters. The backyard has
citrus trees, a covered patio and is low
maintenance. The laundry area can be found
in the attached two car garage. Locally, in this
price point, it's nearly impossible to find an
extra two car garage! Well this is your chance!
As previously mentioned, the detached garage
also has an attached workshop that can be
utilized in so many ways. Build it out to an
ADU, or maybe an art studio, additional office
or an at home gym, the sky is the limit! The
quant Downtown area is close by, offering
unique local eats like Bread & Barley, Pane E
Vino & Scoops on Tap. Easy access to the 10
& 210 will also be appreciated! Come take a
look at this one before it's to late! Set up a tour
