Residential on 0 Acres

Dos Palmas, Desert Hot Springs,

Excellent property in nice neighborhood of Desert Hot Springs. There are many upgrades throughout the home including newer wood floors and recessed lighting. The home is protected and surrounded with stucco walls and there are no neighbors next to or in back of the property. The property is very private with diverse spaces including a front yard, a back yard with a sparkling pool and covered patio, a north yard for children to play, and true R.V. parking. Inside you will find an excellent floor plan with a spacious living room with a large picture window facing west, recessed lighting, and a stone fireplace with built-in cabinets. Off of the living room is the dining room and entrance to the kitchen. Down the hall you will find a full bathroom that serves two spacious bedrooms with raised panel closet doors and then onto the ensuite bedroom with a three quarter bathroom and a door to access the back patio and pool for those evening swims. Very pretty desert landscaping throughout the property. Large cement driveway. There is also a two ton split A/C unit that provides cooling in the workshop area, a new pool filter and a tankless water heater and an outdoor covered shower. The propane tank is paid for. You won't be disappointed with this truly great property and pride of ownership!
