N/A, Covina,

This isn't your typical remodel. Everything here—inside and out—has been redone with intention. The kitchen, bathrooms, flooring, windows, plumbing, electrical—it's all brand new. No shortcuts, just solid work with a clean, modern finish.

Outside, the turf in the backyard keeps things low-maintenance and usable year-round, and the drought-tolerant front yard does its job without needing yours. It's the kind of setup that lets you enjoy your home, not work on it.

Location-wise, you're in a quiet pocket of Covina, close to everything but tucked away from the noise. The neighborhood still feels like a neighborhood—walkable, welcoming, and close to Covina's growing downtown scene. You've got great schools, parks, and easy freeway access without sacrificing that laid-back, community vibe people move here for.

Bottom line: if you've been looking for a home that doesn't need a to-do list, this one's already done—and done right.
