Residential on 0 Acres

N/A, San Dimas,

Situated on a peaceful street in Via Verde, this beautifully maintained two-story pool home blends thoughtful design with everyday livability. The manicured front yard showcases a mature Jacaranda tree in bloom, lush grass, colorful planters, and a brick-accented walkway that mirrors the driveway. Privacy hedges frame the home, creating a serene approach to the covered front porch and double entry doors. Inside, rich hardwood floors and soaring vaulted ceilings introduce the main living spaces. The living room features a large window framing the front yard, neutral carpeting, and a distinctive exposed post and beam detail. Adjacent, the formal dining room opens to the side yard through a sliding glass door and connects directly to the kitchen. The remodeled kitchen is finished with custom cabinetry, dovetail drawer construction, granite countertops, and a classic tiled backsplash. A peninsula with upper display cabinets, recessed lighting, and a sink with a backyard view add function and charm. The breakfast nook features a built-in buffet with upper cabinets and opens to the patio via another sliding door, ideal for indoor-outdoor living. The family room centers around a tiled fireplace flanked by a built-in entertainment unit, with space for a former wet bar that can easily be reimagined. A remodeled powder room with backyard access, plus direct garage entry, complete the main level. Upstairs, the primary suite includes view windows, dual mirrored closets, and a

remodeled ensuite bath with coordinating cabinetry, granite surfaces, a custom tiled shower with frameless glass enclosure, and a dedicated vanity area. Three additional bedrooms, all with views, and a remodeled hall bathroom echoing the primary suite’s finishes complete the upper level. The backyard is a private retreat designed for entertaining and relaxation. A pebble-finished pool and spa with a slide, brick and concrete decking, a built-in barbecue, and a covered patio with retractable shade are surrounded by mature trees and lush landscaping, offering the feel of a secluded resort.
