Do you watch fixer-upper shows on tv and dream of creating your own custom dream home? This adorable single-story home is set on a wide street lined with beautifully maintained homes. With great bones, this house is truly a time capsule. Stepping inside, you're greeted by a nice sized living room which adjoins the kitchen and dining room. Imagine this space in a new light, as a modern open-concept! Or perhaps, a mid-century modern enthusiast could restore this original cabinetry with it's beautiful wood-grain. Down the hall, you'll find three bedrooms and two bathrooms. All three bedrooms have already been equipped with ceiling fans. Outside, the patio cover provides a shaded retreat, and there is plenty of room for future improvements.
