N/A, Claremont,

Say hello to your new home. Tucked on a quiet street in the heart of Claremont, this single-story modern ranch has been completely reimagined with thoughtful design, high-end finishes, and a layout made for California living. Inside, wide-plank wood flooring flows through an airy, open-concept space filled with natural light. The designer kitchen is the heart of the home—featuring quartz countertops, warm white and white oak cabinetry, stainless steel appliances (included in sale), an oversized island with bar seating, and a custom-built banquette for casual dining or a nice place to chill and read.

The living room is anchored by a Venetian plaster fireplace and opens seamlessly to the backyard, where a newly tiled and resurfaced pool, steel patio cover, and all-new landscaping create the perfect private oasis. The primary suite offers a spa-like retreat with a custom walk-in closet and a beautifully tiled bathroom. Three additional bedrooms are spacious and bright, with the secondary bathroom featuring a charming alcove tub and custom tilework.

Additional upgrades include brand new dual-pane windows and sliders, a new roof, brand new electrical panel, epoxy-coated garage floors, designer lighting throughout, and refreshed landscape and hardscape surrounding the property.

Just minutes from award-winning Claremont schools, the Claremont Colleges, downtown Claremont Village, and the 210 freeway, this move-in-ready home blends style, comfort, and convenience. Donâ€™t miss the opportunity to make this awesome house, your new home.
