Residential Income on 0 Acres

N/A, Los Angeles,

Hitting the market for the first time, this rare assemblage in the East Hollywood submarket of Madison West Parkâ€”just minutes from the thriving Silverlake corridorâ€”presents a compelling opportunity for forward-thinking investors and developers. Comprising three contiguous parcels, this offering totals 7,504 square feet of land across prime L.A. land, currently improved with income-generating single-family residences.

The first parcel, located at 500 N Madison Avenue (APN 5539-031-016), is priced at \$549,000 and features a 3-bedroom, 2-bathroom structure totaling 1,301 square feet on a 3,000-square-foot lot. The second parcel, 3877 Middlebury Street (APN 5539-031-015), is offered at \$529,000 and includes a 1-bedroom, 1-bathroom home with 805 square feet on a 2,502-square-foot lot. The third parcel, 3875 Middlebury Street (APN 5539-031-014), is listed at \$399,000 and contains a 2-bedroom, 1-bathroom residence spanning 667 square feet on a 2,002-square-foot lot. The total asking price for all three parcels is \$1,477,000.

By right, each parcel allows for the development of 3 residential units, enabling a total of 9 units across the combined site. However, with the application of low-income housing, the site could yield up to 17 total unitsâ€”unlocking a significant increase in long-term rental income or resale value.

Whether you're pursuing a hold-and-build strategy, land banking for future appreciation, or executing a ground-up multifamily project, this assemblage delivers on location, zoning flexibility, and upside potential.

This is a high-leverage opportunity in one of Los Angeles's™ most active rental corridors, with close proximity to major employment centers, public transit, and lifestyle amenities. Contact us now to schedule a showing.
