N/A, Ontario,

PAID OFF SOLAR system included in this stunning 2023 Ontario Ranch home! That spacious backyard you thought didn't exist in new construction? Found it! Welcome to SoCal's fastest-growing community where demand is so high the cows moved out and all the builders showed up. This home delivers the lifestyle you've been chasingâ€”with significant energy savings already built in. Step inside to a magazine-worthy kitchen with gorgeous neutral quartz counters where you'll prep your favorite Pinterest recipes. The open-concept living and dining area practically glows with natural light, so your plants are going to be happy here. With one bedroom and bath downstairs and three more bedrooms up, this layout offers the flexibility you've needed. Fall asleep listening to Calm in the oversized primary bedroom, then freshen up in your own private spa featuring striking stone countertops and a deep soaker tub. But here's the real showstopper: a genuinely spacious, private backyard that's practically unheard of in newer construction. Fire up the grill or chase your puppy around the yardâ€”because you actually can here. Love having everything nearby? This home is minutes to Costco, In-N-Out, and Stater Bros, not to mention the much-anticipated Grand Park opening next year. Morning coffee on your front porch with mountain views? Yes, please. The whole place shows like a model with upgrades throughout.
